The Order of the
Thelemic Golden Dawn.

Do what thou wilt shall be the whole of the Law.

This document is designed for members of the Order of the Thelemic Golden Dawn, so that they may comprehend the meanings of certain words and numbers which are often used or indicated in Thelemic literature. In the Qabalah there is a special science called Gematria which asserts that any words having the same numerical value are descriptions of a single phenomenon, or that such words define each other. Most of what follows should give helpful insight to members of our Holy Order of Thelema concerning essential Qabalistic mysteries of Liber Legis.

11 = Magnum Opus, the Great Work. It is the blending of the Pentagram (5) and Hexagram (6), or of the Rose (5 petals) and Cross (Sixfold Cross). It is the number of AVD (Magick Force). It is the special number of Nuit, Hadit and Ra-Hoor-Khuit. In the first chapter of Liber Legis, it is stated by Nuit, "My number is 11, as all their numbers who are of us." It is stated by Hadit in the second chapter, "I am the Empress and the Hierophant; thus eleven as my bride is eleven." The names HOOR-PA-KRAAT and RA-HOOR-KHUIT have 11 letters each. So does ABRAHADABRA (Word of Ra-Hoor-Khuit). There are 11 words in the Law of Thelema. 11=WE (Read AL,II:64) and AHH (Ahah!).

15 = YE (Yod-Heh, the Monogram of the Eternal). Read AL,I:17, where it is stated by Nuit, “But ye are not so chosen.” Not is LA (31). Yod-Heh is the God Name of Chokmah, the Sphere of Stars, thus the word “ye” indicates the Stars of Our Lady Nuit. The word “not” indicates Nuit Herself. 15 is the Mystic number of Geburah, the Sphere of Mars, the Planet of Horus, so that “ye” are the children of Horus who are chosen in Nuit.

31 = AL (God, The All), LA (Not, Nothing), KHV (Magical Self), and HVK (To Go, the function of a God). It is the number of ShT (Set) by way of the Tarot (Sh=Shin=Atu 20, T=Teth=Atu 11. $20+11=31$). $31=HDT$ (Hadit), for H=Atu 17, D=Atu 3 and T=Atu 11, and $17+3+11=31$. The number 666 when translated into Hebrew letters is Mem, Samekh, Vav. These letters correspond with Atus 12, 14 and 5. $12+14+5=31$. Note in this connection that Path 31 of the Qabalistic Tree of Life is the Path of the letter Shin, the special letter of 666. 31 is the number which results from the addition of the Atus of Thoth which correspond with ‘Aum-Ha’ (AOM-HA), when we attribute Heh to Atu IV, thus $A=0+O=15+M=12+H=4+A=0$ (Read AL,III:75); and $31=KVPh$ (COPH) by way of Tarot (Read AL,III:72).

44 = Sacred number of Horus. It is the number of AGLI (Drops), DM (Blood), DLI (Aquarius), and LHT (Flame). It is the number of AHIH ChIH (I am Life). It is further the number AL-AChD (AL-ONE or ALONE. Read AL,II:23). It is also the number of EAGLE (E=5+A=1+G=3+L=30+E=5=44), and the Eagle is the Kerubic Hawk or Phoenix. Liber 44 is the Mass of the Phoenix. 44 results from the addition of the Atus of Thoth which correspond with EAGLE (E=17+A=0+G=2+L=8+H=17). Quartus Kerub (the Fourth Cherub, the Eagle or Phoenix) was born 44 minutes into the Sign of the Eagle (Phoenix) on October 24, 1964 e.v., in LA, CA, USA. LA is Los Angeles, the City of Angels (Kerubs), and LA=31; and also CA (California) is State 31 of the USA. 44 results from the addition of the Atus of Thoth which correspond with ‘Aum-Ha’ (AOM-HA), when we attribute Atu XVII to Heh, thus $A=0+O=15+M=12+H=17+A=0$. Also, $44=IHVH$ spelled in full as YVD-HA-VV-HA.

56 = NU. Read AL,I:24. 56=NAH (Beautiful, as is Our Lady Nuit). The number 56 is hinted at in AL,III:8, where it is stated “and none (=Nun=50) shall stand before you (=Vav=6).” 56 is the number of NO (NU). Concerning this read AL,III:47, where it is stated “in these are mysteries that ‘no’ beast shall divine.” Note that 5+6=11=the special number of Nuit, Hadit, Ra-Hoor-Khuit and Hoor-Pa-Kraat.

61 = AIN (Nothing=Nuit). Note in this connection that 61 is also the number of ALL (Aleph-Lamed-Lamed). 61=ANI (Ego=All), ADVN (Master, Lord), and ONE (Vav-Nun-Heh. Read AL,II:76, III:47.) Note that 6+5=11. Also 65 translated into Hebrew letters is Samekh-Heh. Samekh=Atu 14, Heh=Atu 17. 14+17=31! Thus ADNI (65) is AL (31).

66 = NU+HAD. It is the mystic number of the Great Work (1--11). It is the number of US (Read AL, I:40 & 60). It is the number of WILL (Vav-Lamed-Lamed). It is the number of SU, the Voice of the Eagle (=Horus). 66=HOOR (Horus) by way of the Tarot (H=Atu 17+O=Atu 15+O=Atu 15+R=Atu 19=66). 66=ALLH (Allah).
